### **SLEEP OVER INFORMATION:**

For Years now we have made it a fall youth tradition to take our kids out for a night of fun. This sleepover is not just a sleep over. We all meet at Broadway at the Beach where the boys go to Ride Makers(make a car) and the Girls go to Sparkle (makeovers). Then we meet up and spend an hour at MagiQuest and eat dinner and do trophies. After that we go to the movies. Then, we walk to Ripley's Aquarium and camp out under the shark tanks, watch movies and do crafts. Best of all this is all paid for through the league if you include the sleepover in your package. This is not recommended for the teenagers, it is more geared to the younger ones. This has been a blast and a great joy to do year after year.
